Nashville, TN 37211

Parents, Teachers, Students, Community Members:

Please join us for this **FREE**, one-day event to learn about the basics, production and benefits of school and community gardens!

Come explore how to:

- Start your own garden.
- Boost your family's nutrition.
- Use gardening to excite kids about learning.
- Enhance community relationships.

This event is open to the public and food will be available!
